

## FOR SALE

16hh Liver Chestnut Gelding 14 years old

Attractive, fabulous natured, compact Gelding, warmblood x arab x thoroughbred. Passported PBA. All vacs, teeth etc up to date and regular tack and back checks. So easy to look after, excellent shoe, clip, box etc. Loves to be groomed and pampered. History known and contact still with his owner from 4 years old.

Fit and in work currently competing Novice Dressage and working at home to Elementary.

He is a great hack, forward going, really walks out well, he is happy to be in front or behind, excellent in traffic, alone or in company. Great to accompany more nervous horses and doesn't get worried.

He has been ridden by mother and daughter, so has done some pony club activities and been to both riding club and pony club events. In June, obtaining 4<sup>th</sup> and qualifying for SE Regionals with 68% with North Downs Riding Club.

Fen does jump but is not easy! Show Jumping he would be happy to about 85 cm, but he is not brave cross country. Sadly for sale as my daughter wants to event and has now outgrown her event pony and we wish to get a horse to share that will enjoy this discipline.

Very sad sale. Would ideally suit a rider who enjoys flat work, schooling and/or competing, and hacking; or possibly showing he looks fabulous and rides very well in a double bridle. He would be perfect to have with others at home as he is a pleasure to be around and has excellent manners.

Priced to sell at £2,750

Stabled in Livery at Headley, Surrey
